Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: There are three XXX scenes with jizz-hungry newbs and six solo sluts.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go. After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD.

Here are the highlights of this issue's bonus scenes.

Redhead Pepper gets interviewed before she fucks her boyfriend.
She's a cutie from Portland, Oregon, and she's nervous about sucking and fucking on-camera for the first time.

Bunnie is a cute brunette who just can't hold it in anymore.
Our porn stud tickles her until she pees. Then, he fucks the hell out of her and nuts on her precious face.

Nikki moans with a thick Oklahoma accent as she cums.
She's a tall, skinny chick with pencil-eraser nips. She slides her favorite purple vibrator deep inside her young, tight pussy.

Rosalyn doesn't need toys because her fingers are pure magic.
This beautiful and young Latina makes her pussy sing as she strums her clit and fingers her sweet honey hole.

College girl Angelica shows off her D-cup knockers on the porch.
She makes herself cum outside on a porch swing, and her moans will make your toes curl with pleasure.

Chinese MILF Tiffany is in her mid-30s and horny as hell.
She can dirty talk in Mandarin, Cantonese and English, and she's giving a fingering show for the ages.

April enjoys the outdoors by aggressively rubbing her pussy.
She's hot, vocal and sopping wet. She sloshes her juices so loudly, we were worried the neighbors were going to call the cops.

Massively-stacked Victoria is addicted to daring cumming.
The beautiful blonde strips off her pink cotton undies until she's entirely nude, then she plays with her kitty and big naturals on her front porch steps.

Our stud dares Avi to prove she can take a piss while standing.
She gives it a shot, and it turns out she can! Watching her golden stream spray out of her tight, young snatch turns him on, so he fucks her mouth and dripping pussy.

Behind Closed Doors

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring: *Myra*

Age: 21
Height: 5'2"
Weight: 96 lbs.

Myra is a tiny redhead from Alabama. "My biggest fantasy is to do a gangbang or a blowbang," she told us. "I want to be the center of attention, with all of the guys staring at me and waiting their turn to use my pussy or my mouth. I know it's dirty, but it gets me wet just thinking about it. I think I would try to swallow all of their loads, but I also like the idea of them all cumming on my tits or in my pussy."

Watch Myra cum!

or in Teen Bait 5,
available on page 99.

Jenn

Dosquebradas, Colombia

Jenn has a boyfriend, but he's cool with her spreading her pussy for our readers. "He's not possessive," Jenn told us. "That's one of the reasons I like him so much. He's confident and secure. That's the number one thing girls look for in guys. It's what I look for, at least." We asked Jenn what else she looks for in men. "A big package is nice if the guy knows how to use it. I've noticed that most hung guys are kind of lazy in bed, though."

MORE MAGAZINES:

"I spend a lot of time at the beach, so I have a ton of bikinis. I like how revealing they are and how guys always check me out when I'm wearing one. My mom got super upset once because I tried to wear a micro bikini out of the house. She was pissed! I think she was just jealous of my body, though. My ass looked seriously amazing in that swimsuit."

MagDownload.org

"I can make myself cum really easily. I like to start by running my fingers up and down my labia, like a little tease. Just light tickling is all it takes to make my pussy wet. I like two fingers inside me while I rub my clit. If I press up on my G-spot when I'm having a penetrative orgasm, I can even squirt a little bit."

Jenn needs more.

"I've had anal sex a couple of times. It's nice, but it always just feels like foreplay. It's never made me cum. I've gotten almost all the way there, but I need something in my pussy for me to cum. Maybe I'll try DP to see if that works."

Sandra

Moscow, Russia

Sandra told us that she always wears lingerie. "All underwear feels the same to me, so why wouldn't I wear something really sexy? Plus, if I'm out and about and happen to find myself in a situation where I have to get naked, I know that I'm going to look amazing. You wouldn't believe how many times guys have undressed me and said, 'Wow!' Nothing makes a girl feel better than a compliment like that. The only downside is that lingerie is expensive. I wish I had a sugar daddy to buy me underwear."

Lather up, Sandra.

"I can't stand having pubes, so I keep my pussy nice and smooth at all times. It can be a pain in the ass, sometimes literally, but I'd rather spend the time to make sure I'm looking good and hairless down there. It's worth it."

"I like being submissive," Sandra explained to us after she dropped her panties. "I like being dominated in bed. My roomies always say I'm the loudest girl in the club when we party. But, during sex, I like the guy to put me in my place. I even like being choked a little bit, but only if I can see the guy's face while he's doing it. I need to look into his eyes while he's slamming my pussy or my asshole."

Our Favorite Nude Beaches

Haulover Beach, Miami, Florida. There's a reason the SCORE Group is headquartered in Miami. Haulover Beach in Miami stands out as a premier nude beach. Tourists and locals alike can embrace the sun and surf sans clothes just half an hour north of party city South Beach.

Tambaba Beach, João Pessoa, Brazil. Renowned for its dazzling natural beauty and energetic culture, you can find relaxation and adventure on this beach. The designated clothing-optional area attracts breathtaking Brazilian beauties.

Lady Bay, Sydney, Australia. Sydney is home to over five million people, and the hottest sunseekers choose to strut their stuff in Lady Bay. There's a relaxing atmosphere in this picturesque cove surrounded by cliffs. Check it out when you head down under.

Soak up that vitamin D!

Here's where you can bare it all.

Es Trenc, Mallorca, Spain. White sand beaches and calm, inviting waters welcome the clothing-optional crowd. This nature preserve doesn't have a separate nudist area, so the naked masses are welcome to walk the entire stretch of coastline and get to know other sunbathers.

Wreck Beach in Vancouver, Canada. The Pacific Northwest isn't known for its sunshine, so when the sun comes out, the buns come out. This renowned clothing-optional spot embraces a free-spirited and inclusive atmosphere. The coast's rugged beauty is on full display, and so are the people.

Public Sex Gone Wrong

Oops! A couple attending an Olivia Rodrigo concert in Melbourne, Australia accidentally flooded a train station after breaking a sprinkler while hooking up under a set of stairs. Police had to evacuate the Central Station and the Flagstaff Station out of an abundance of caution. The couple, captured on CCTV, felt frisky after the concert and found what they thought was the perfect place to knock boots, only for one to damage the sprinkler and cause major flooding. Judging by how quickly they appeared to scurry away in the video, it doesn't look like either of them got to cum.

Concerts make the girls go crazy.

Watch out! There are curves ahead, and they belong to Ellie. Her big tits, petite waist and voluptuous ass make her a sight to behold. But she's more than just a pretty face–she's the total package: a smart, slutty girl who graduated high school early and loves to do freaky things. You should do yourself a favor and join our website *NaughtyMag.com* so you can watch Ellie's hardcore debut. In the meantime, enjoy watching as she kicks her sundress to the side and plays with her sweet, hairless pussy and big, natural tits.

We asked Ellie about the wildest sex she's ever had. "I wrote about it in the model questionnaire you guys gave me. My hottest sexual experience was when I got tied to a tree that was on a cliff and next to a highway. My boyfriend at the time fucked me as people drove by and saw us, and some of them even honked. That's going to be hard to top. Other than that, I've had some decent car sex with people."

No need for a dildo.

"I have so much sex that I don't have the desire to masturbate. I just prefer the real thing, you know? I know what makes me cum and I'm good at communicating that to my partner, so I always have multiple orgasms."

Mila

Saint Petersburg, Russia

If Mila looks comfortable in these shots, it's because she's used to having her picture taken. "Pretty much all of my boyfriends have taken naked pictures of me," she told us. "My first boyfriend did it, and he told me that he'd masturbate to my photos. I liked the idea of that, so I've suggested photoshoots of me for all of my boyfriends since then. I haven't had a single guy turn me down! It makes me feel sexy and loved."

We asked Mila what she does for fun. "I like going to movies, but I haven't seen anything good in a long time. A few weeks ago, a guy took me to a theater on a date. The movie was awful, so I decided to give him a handjob to distract myself. That was a lot of fun. I only used my hand until he whispered in my ear that he was going to cum. Then, I popped his dick in my mouth and swallowed his load."

Is your phone buzzing?

"I have a pair of vibrating panties that came with a remote control. I've used them a few times with a partner. It's a lot of fun to be out to dinner and then, wham! There's a vibrator buzzing on my clit. I like that it's a sexy secret."

Zoey

Los Angeles, California

Zoey is a brand-new sexpot originally from Philadelphia who now lives in LA. She went to an all-girls school, so you know she's had lezzie sex. "I've hooked up with my fair share of girls," she informed us. "It's fun, but it kind of just feels like a ton of foreplay without an actual fuck. I need a dick to be involved in some way to make it count. Nothing pleases me more than a hard cock."

"I went down on a girl before I ever even touched a penis," she told us. "I didn't lose my virginity until I was 19. I invited a guy down to my parent's basement and gave the guy my first blowjob. I was kinda figuring it out as I went. About halfway through, I figured I might as well let him fuck me, too. It was not romantic at all. The guy was nice and gentle, though, so that was nice. After I did that guy, I figured I knew everything about sex, haha!"

MagDownload.org

"The first time I slept with a guy who knew what he was doing, it was mindblowing. I came, like, four times in a row. I was immediately hooked, even though we didn't have chemistry outside of the bedroom. Once, we went on a hike in Runyon Canyon, and we ended up fucking right off of the trail. He made me cum so hard, he had to cover my mouth because I was screaming and getting super emotional."

What's your pick?

"My favorite place for a guy to finish is in my mouth. I have nice tits, so guys will ask to nut on my chest all the time. That's alright. Facials can be fun sometimes, too. Creampies are just for long-term boyfriends."

Vixi

Prague, Czech Republic

We asked beautiful newcomer Vixi to tell us about the craziest sex she's ever had. "Once, I hooked up with my coworker when I worked at a cafe. She and I were flirting all shift, and our manager, a guy, had a big crush on me. Well, the girl and I ended up eating each other out in the back office while he watched. He wanted to join in, but we wanted to have some fun with just girls. He jacked off while watching us."

"I'm really into older guys. Boys my age aren't good at communicating or asking girls out. Older guys know how to be romantic and turn me on. Once, I saw a guy on a motorcycle at the stop light. He could tell I was checking him out, so he offered me a ride. We spent about an hour zipping through the city before stopping for lunch. That's when I found out he was twice my age. Anyway, we went to his apartment, and he fucked me all afternoon. My pussy and ass were so sore the next day, and I think that the bike did that, not his cock. He wasn't that big."

We're sure you've noticed by now that Vixi knows how to look deep into a man's eyes to tell him that she means business. "I was born a flirt," she laughed. "If I want a guy, I can gently touch his arm in such a way that it will get him half-way hard. I've done it a bunch of times just to mess with my friends' boyfriends. A little touch paired with a dirty whisper will make men whimper. It's so silly and easy. It's like I have a sexy superpower or something."

Options can be fun.

"I've had anal sex before that was absolutely mindblowing, but it's pretty bad most of the time. Unless I'm really horny and want to feel used, I'll decline to do it. My pussy is right there and feels amazing. Why not just stick it in there?"

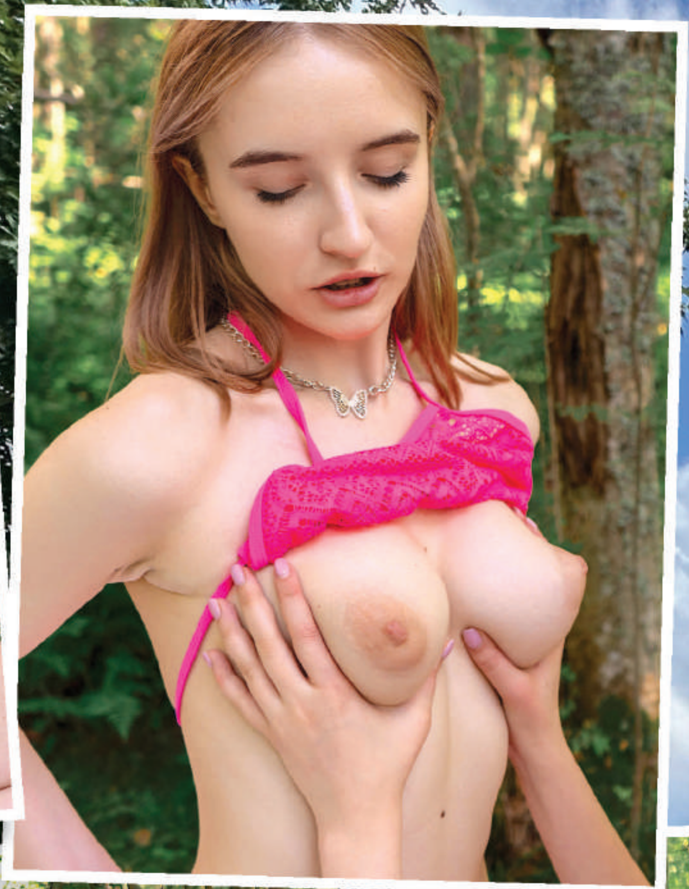
Erika & Margo
Getting Wet

You might recognize Margo from our issue *NN3001*, where she stripped down, fingered her pussy and shared a little bit about her life. In that interview, she mentioned that she thought she was a lesbian for a long time because she slept with a bunch of girls before she got with a guy. She didn't trade pussy for cock, though. She likes 'em both. So, we told her to prove it. That's when she told us that her friend Erika would be interested in shooting for our mag.



"We're really good friends," Erika shared. "We also like to mess around with each other from time to time." Margo chimed in, "She likes when I dominate her pussy," and then she laughed, causing Erika to blush. "She's not wrong about that. Margo is really good at getting me off. It's kind of unfair. She knows exactly how I like my clit licked and my pussy fingered. I've never been with a guy who can get me off with his mouth. I think girls are just naturally better at eating pussy because they understand what it's like to have your pussy eaten poorly. Most of the guys I've been with have either been turned off by eating me out, or they've been way too enthusiastic and they end up going way too hard."

MagDownload.org

Margo told us that she and Erika weren't always such good friends. "We hated each other at first. It was typical girl drama. We were dating the same guy. I started dating him first…" Erika interjected, "You did not! You always make stuff up." They laughed with each other playfully, grabbing each other's shoulders. "Anyway," Margo continued. "That guy suggested that we have a threesome, and we both agreed. But, a few minutes into the sex, we both realized that we were more interested in pussy than cock that night."

What it's like on a swingers cruise

Perhaps you've seen them advertised. They have sexy names like Desire and Bliss. They promise an enticing journey on the high seas filled with sexy couples looking to get it on. The prices are steep, much higher than regular cruises, but if these sultry vacations-at-sea deliver on their promises, they would be worth every penny, right? Here's the lowdown on adult lifestyle cruises.

Kick up your feet and relax!

All normal cruise activities are available on lifestyle cruises, but every guest must be 21 or older. The ships are chartered by private companies, which sell tickets and arrange the adult entertainment but leave the day-to-day cruise operations to the ship staff. That means you can sail on some of the newest ships from Royal Caribbean, Oceana and other big names in the cruise industry.

Every ship is different, though there are some standard rules and amenities. Pools and the surrounding decks are usually clothing-optional while the boat is at sea. You would be hard-

pressed not to see some bouncing, bathing beauties skinny dipping during the day. Usually, there is a rule that kissing and light touching are okay, but anything more adult has to be taken back to a cabin or into one of the dedicated playrooms. Open promenades and decks are also nudist-friendly, only requiring a coverup when the boat pulls into or out of port. Depending on who you're sailing with, there can be casinos, miniature golf, rock climbing walls, surfing simulators and much more, all of which may be enjoyed in the buff.

Lifestyle cruises differ from regular cruises the most by the addition of playrooms. There, couples can experiment with one another or others, and their every need is catered to. The mattresses are nice and new. Playrooms on lifestyle cruises are the crème de la crème of swinger clubs.

Don't drop anchor, drop your panties!

Playrooms are truly special, and most cruises decorate them for theme nights. For example, one recent cruise had the following itinerary:

Sunday, High School Flashback. Dress like a cheerleader, jock, nerd or however you used to dress!

Monday, Red Carpet Formal. Walk the red carpet at a VIP party.

Tuesday, Superheroes Versus Villains. Everyone can live out their fantasy by dressing as their favorite hero.

Wednesday, 80s Neon Night.

Ava

Los Angeles, California

Boy, we love teenage pussy! Ava is a cutie pie who knows that she looks young and is okay with that. "My last boyfriend was a big biker dude. He looked old enough to be my dad! I always got a kick at how people would stare at us in public when we were together. Sometimes, just for fun, I would French kiss him and grab his butt in front of people. I got a kick out of it, but it seemed to freak him out. Whatever. I broke up with him."

"I usually wear thongs, but I have different kinds of underwear depending on what I'm doing that day. Like, I'm not going to wear a thong if I'm going mountain biking that day. But, at night, I go commando. I like to shower at night, so afterward, I switch right into my PJs, and my bra and panties have got to go. I like that if the mood strikes, I can stick my hand down my jammies and give myself a nice, big orgasm before bed."

Lalipop

Saint Petersburg, Russia

A couple of issues ago, we introduced you to Lalipop, a hyper-sexual girl with a dirty mind and an even filthier mouth. Now, she's back, and she's catching us up on some of her sexual hijinx. "I've been a very busy girl," she told us. "I went with a friend to a sex club for the first time. We told each other that we were just there to observe, but I couldn't help myself. I was chatting with a guy, and before I knew it, I was sucking him off."

"I made myself a sexual checklist of things I want to do before I settle down. I want to get married and have kids, but I don't ever want to feel like I didn't get to enjoy my youth. There are some typical things on there, like threesomes, double penetration, exhibitionism, and stuff like that. But a few of them are inspired by the porn I watch. I want to do a blowbang, where I'm on my knees between a bunch of guys, sucking them all off before they all jizz in my mouth or on my face or chest."

"I had a guy ask me recently if I've ever been fisted. I told him that it's hard to say. I've had a girl put pretty much her whole hand in my pussy, but it wasn't too challenging because she had tiny hands. With guys, I think the max I've ever taken has been four fingers, and that felt like a stretch for me. I do enjoy that feeling of being stretched wide open and full, but I'd rather it come from an enormous cock, not a hand or a toy or whatever, but I still haven't had sex with a guy with an enormous penis."

MagDownload.org

Let her rain over you.

"I used to be embarrassed by the fact that I squirt when I have a G-spot orgasm. The first guy it happened with told me that I peed on him! It took a long time to get over that. Now, I think it's kind of sexy to gush like that."

Alice

Saint Petersburg, Russia

"I have a secret for you guys," Alice told us bashfully. "I waxed for this photoshoot. I usually just shave, but I figured this was a special occasion. I've had guys ask me to wax for them before, but I've always been scared of it. It wasn't as bad as I thought it would be!"

"Masturbating is one of life's simple pleasures. I love the way my own fingers can send me over the edge, especially when I hit my G-spot while I'm rubbing my clit. There's nothing quite like the feeling of my own touch, sending shivers down my spine and making me cum harder than anything else. It's a wild ride, all on my terms. It's like making a good dinner just for yourself. Everybody deserves to treat themselves to nice things. That's why I like porn. It's a treat for people."

When the getting's good.

"The first time I had a casual hookup, the guy really over-performed. He ate me out for a long time and made me cum twice before he even put his cock in me. I thought every casual sex experience would be like that. I wish!"

"CUM ALL OVER MY BIG TITS!"

BLOCK PARTY

contined from page 61

It's throwback night, complete with black lights and neon body paint.

Thursday, Fetish Night. Explore your darkest fantasies and help others discover theirs.

Friday, Under The Sea. Calling all pirates and mermaids: Find yourself a partner and enjoy making a splash.

Saturday, Famous Couples. Are you a Marc Antony and Cleopatra couple? Or, how about Marilyn Monroe and Joe DiMaggio?

Aboard a lifestyle cruise, guests are treated to delectable food and drinks. Dinner is also when passengers socialize. Women often dress sexy with low-cut tops and daring dresses. It's a feast for the eyes every night. There are also shows onboard with entertainers from around the world. Burlesque troupes entertain and arouse, comedians poke fun at familiar swinger tropes and seminars and workshops from certified sexologists help couples expand their horizons. There are also bands, DJs, and pool parties on most cruises.

Thousands of regular cruise ships sail every year, but there are only a handful of lifestyle cruises. They usually sell out well before the departure date, and because of this, the prices can be steep. The average is around $5,000 per couple. Some of the larger lifestyle cruises can have nearly 6,000 passengers and come with a lower price tag. The nicer, ritzier journeys aboard newer ships cost more, but there are fewer people, sometimes only around 700 passengers. The demographics of those who sail on these trips vary, but it's usually not the hot 20somethings you see in our magazine. The majority of passengers are in their 40s or 50s. Not everybody who goes on a lifestyle cruise is there to swing. Some are into voyeurism and exhibitionism.

Overall, lifestyle cruises are fun for couples looking to hang out with like-minded people. Once aboard, it's up to the passenger to decide what kind of trip it'll be. It could be gangbangs every day in the playrooms, or it could simply be hanging out topless poolside. Either way, it beats working! **NN**

Bella

Berlin, Germany

Bella is a teenager with beautiful skin, long brunette hair, perky tits and an insatiable appetite for cumming. You've already seen her debut solo nudes in our last issue, but we have a special treat for you. Bella decided to pop her hardcore cherry. "My friends and family would be shocked to find out I'm doing porn. I'm pretty sure they think I'm still a virgin."

Bella told us that she's a big fan of porn. "I watch it all the time on my cell phone. I even stole some magazines from a friend's older brother. He asked me about it, and I denied it then, but I think he knew I took them. A few months later, he and I hooked up. I had him do me in some of the positions I learned from the magazines. It was good sex, too. He's a gifted lover. I'll never tell my friend that I fucked her brother, though. It would be too weird!"

Hop on top, Bella.

"My favorite position is cowgirl. It allows me to control the action. I like to start out slow, just grinding on top of the dick. The best is when I just have to rock my hips back and forth while rubbing my clit into the guy's pubes."

"I remember the first time a guy asked me where he could cum on me. I had never thought about that before. I told him he could do it wherever he wanted, and he chose to cum on my stomach. I remember how excited I was to have his jizz on me. I was fascinated by it. I swirled his cum around with my finger, licked it up and told him he could cum on my face next time. I let that guy paint my entire body with his jizz over the course of a few months."

These girls know they shouldn't be doing this. They should be fooling around with boys their own age. But they don't need some virgin fumbling around with their tiny tits and tight pussies, not knowing where to stick it and cumming too soon. They need experienced, hung men–guys who are old enough to be their fathers–who can fuck them hard and teach them all about sex. These tiny girls get the cocks they deserve.
